Instructions from Hwy #1 and #99 to 943 West Broadway

From #1 Hwy. Take Grandview Hwy exit. Follow Grandview Hwy, and it will turn into W. 12th Ave. Take a right turn onto Oak Street and turn right again on Broadway (which is equivalent to 9th) and get in the left hand lane and take first left onto Laurel. (There is an earls on corner Broadway & Laurel.) Turn left into the back alley behind earls and proceed to the Public Parkade entrance for 943 W Broadway. You get a tkt from the machine and pay the cashier when you leave. It's around \$2.50 an hour at this point. Take elevator to lobby level and you will see a large sign ahead to the right "Pacific Rehab Medicine".

From Hwy 99. Follow the signs for 99, taking a right on Howe Street. Stay on Howe Street and this will put you onto the Granville Bridge. Get into the left lane as you need to turn left at either 6th or 7th. Then you take first right onto Hemlock and get into left lane as you are going to turn left onto Broadway. Proceed down Broadway and go through Oak Street and get get in the left hand lane and take first left onto Laurel. (There is an earls on corner Broadway & Laurel.) Turn left into the back alley behind earls and proceed to the Public Parkade entrance for 943 W Broadway. Take elevator to lobby level and you will see a large sign ahead to the right "Pacific Rehab Medicine".
