

## **Directions to G. F. Strong Rehab Centre from the Horseshoe Bay Ferry Terminal**

- Follow the TransCanada I / Highway 99 East to Vancouver
- Take the Taylor Way exit & stay to the right. Go south down the hill on Taylor Way until you get to a major intersection of Taylor Way and Marine Drive. Turn left at the lights on Marine Drive and get into the right lane immediately and onto the Lions Gate Bridge.
- Pass over the bridge, thru Stanley Park Causeway and this turns into Georgia Street. Follow Georgia Street and make a right onto Burrard Street. (The Vancouver Hotel is on this corner.)
- Proceed up Burrard street until top of slight hill where you turn left onto Nelson Street and get into the right hand lane as you are going to turn right in 2 blocks. Turn right on Howe Street and this will eventually take you over the Granville Street Bridge. Stay on Granville street all the way until King Edward, where you will turn left. King Edward is the equivalent of 25<sup>th</sup> Avenue.
- Follow King Edward going east and you will pass through Oak street where you will see Safeway Shopping Plaza and gas station.
- Take first right after this shopping plaza onto Laurel Street. Proceed in one block on Laurel street and you will see G. F. Strong Rehab Centre on the corner of 26<sup>th</sup> and Laurel.
- There is limited parking in the guest parking lot. There is free parking on 26<sup>th</sup> and Laurel Street surrounding the park which is adjacent to G. F. Strong Rehab Centre.

EMG studies take one hour and the lab is located in the basement Level of G.F. Strong Rehab Centre at *4255 Laurel Street*

Estimated Travel Time: 50 minutes Address: 4255 Laurel Street

Cross Streets: 26<sup>th</sup> & Laurel Street
