Directions to Horseshoe Bay Ferry Terminal from Pacific Rehabilitation Medicine

- Take Broadway going West. Go through Oak Street and keep going down Broadway through Granville until you get to Burrard Street where you will turn **right**.
- Stay on Burrard all the way over the bridge and when you get downtown you turn **left** on Georgia Street (the Hotel Vancouver is on the corner of Burrard and Georgia)
- Stay on Georgia Street---go through Stanley Park and over the Lion's Gate Bridge
- Take exit after bridge for West Vancouver
- Stay in the right lane as very shortly you will turn **right** on Taylor Way.
- Stay on Taylor Way---you go up a steep hill and then when you go down again you will see signs for TransCanada I / Highway 99 West (you'll drive under an overpass and the freeway entrance is immediately to your **left**)
- Follow the signs for Horseshoe Bay Ferry Terminal
